EMPLOYMENT HISTORY

Truck Driver (Long Haul & Oil Hauling) at Self-Employed, Laval

June 2021 — September 2023

- Safely transported goods, including crude oil, across state lines with a 99% accuracy rate and a clean safety record over combined 8 years.
- Conducted rigorous pre-trip and post-trip vehicle inspections, adhering to DOT and HAZMAT regulations, ensuring optimal vehicle and cargo safety.
- Utilized GPS and road maps for route optimization, achieving a 15% reduction in fuel consumption and ensuring timely deliveries.
- Maintained accurate logs of hours, mileage, cargo details, and temperatures, ensuring the safe transit of sensitive materials like crude oil.
- Fostered strong communication with dispatchers, drilling site personnel, and refinery staff, streamlining operations and addressing any potential issues proactively.
- Assisted in onboarding and training new drivers, emphasizing safety procedures, best practices, and compliance with regulatory standards.

Digital Marketing Coordinator at Self-Employed, Montreal

September 2017 — August 2018

- Designed and executed digital sales and marketing strategies for major accounts including Amazon, enhancing online user experience and product visibility.
- Conducted continuous SEO optimization and competitive analysis to drive web presence and identify market opportunities.
- Managed Amazon Inventory, emphasizing data analytics for demand forecasting and efficient inventory management.
- Oversaw SKU setup, product submissions, and 3rd Party Seller supervision, demonstrating proficiency in digital tool management and compliance.
- Adapted to dynamic digital changes, demonstrating agility in adjusting to new operational environments and platforms.

Transportation Coordinator/ Dispatcher at Magna Stainless, Montreal

May 2020 — June 2021

- Offered key administrative support to Operations and General Management, streamlining processes and ensuring operational efficiency.
- Coordinated and executed key tasks in response to both customer and supplier directives, demonstrating adaptability and precision.
- Innovated and implemented cost-saving transportation methods through advanced software solutions and technological tool utilization.

- Managed daily dispatch operations, ensuring rapid adaptability in response to logistical challenges like road closures and delays.
- Facilitated effective communication between drivers and customers, ensuring operational targets were met and proactively addressing deviations.
